**BINTELLI
BEYOND
LSV**

Live life fully charged.

BUILT FOR ANY ADVENTURE YOU SEEK

Select your new Bintelli Beyond Street-Legal Golf Cart

Street-legal golf carts, also known as neighborhood electric vehicles, can be driven on roads with a speed of 35 mph or less in most states. The Beyond is offered in the most popular LSV seating configurations: 4 or 6 passenger with your choice of standard or lifted equipment.

All fully electric models include headlights, brake lights, turn signals, seat belts, mirrors, backup camera, sound system, and cup holders. Featuring all aluminum frames, aluminum roof supports and stainless steel exterior hardware, the Bintelli Beyond is built to last.

Each Beyond Features:

- Battery range: up to 30-40 miles (Lithium available for additional range)
 - DOT glass windshield with electric wiper
 - 3 Point DOT seat belts
 - Maximum Speed: Up to 25MPH
 - 4 wheel hydraulic disc brakes with mechanical parking brake
- ...and much more!

Select from your favorite colors!*

*Not all models are available in all colors. Colors may appear different on various screen sizes and resolutions. Colors only shown for reference.
